

## **12 Angry Men Project**

You have now finished reading the play, 12 Angry Men by Reginald Rose. As you read, you took notes on fallacies presented in the play. Now it is time to put those fallacies together into a presentation.

Instructions: For your presentation, you will identify at least 6-8 fallacies presented during the play.

- Identify the name of the fallacy
- Provide the definition of the fallacy
- Provide a quote from the play of the fallacy (make sure to identify the juror and how you would characterize the juror with examples of WHY.)
- Explanation of how the quote EXEMPLIFIES the fallacy.
- What was the verdict of the overall trial and WHY?
- What was the purpose of writing the play?
- What was the message we as readers should take away from this play?
