

The Absolutely True Diary of a Part-Time Indian Project

The final step is preparing a presentation of your opinion on the book, and your interpretation of the most important theme(s) in the book. Use everything you have learned during the webquest and the reading of the book and find a creative way to bring your ideas and opinions across. You will be creating a visual representation of the theme of the book.

Your visual presentation must include:

- The title of the book
- A visual of the theme
- The theme statement on the presentation
- A TYPED response explaining your theme statement. You must include at least 4-6 quotes from various parts of the book to support your theme statement. As well as, an explanation of how your visual illustrates your theme statement.

You will do a brief presentation of your visual representation.
